---

On behalf of Salina Country Club, JRI Hospitality, and the City of Salina, I would like to extend a special welcome to the 5th Senior LPGA Championship. Previously the Championship was held in French Lick Indiana 2017-2019 and 2021. This is the 1st LPGA event held in the City of Salina and marks the 20th anniversary of a women's golf championship contested in the state of Kansas.

There has been much anticipation and excitement in the community leading up to this week's event. Staff of SCC, JRI and community volunteers have contributed countless hours to planning and implementing the many details involved with making this a successful tournament and memorable event. The planning team has made every effort to create a comfortable and enjoyable atmosphere for you and one that hopefully will provide a lifelong memory for players, caddies, volunteers and spectators who come from all parts of the world. I sincerely hope you enjoy the action on the course as well as the hospitable environment of the community.
